

Bhat Brothers â?? Shawls, Scarves, Hats, Garments and Accessories.

Description

We at Bhat Brotherâ??s are traditional and contemporary bespoke design-led Pashmina shawl weavers from Kashmir, India, who manufacture and export the highest-quality Pashmina shawls directly from Kashmir to Germany, France, and United Kingdom, using only the High-quality organic pashmina wool.

Each garment or accessory we create are individually crafted in our rural workshops by the most talented of artisans, embodying centuries of tradition, artistry, and cultural pride individually creating living treasures symbolising luxury and heritage.

The journey of Bhat Brothers was started in 1950â??s by Shilp Guru, national awardee Shri Bhat is a Genius in Pashmina Kani Shawls weaving art. His contribution towards the revival and development of handloom to new heights is without doubt and clearly plain to see skilfully crafted into unique pieces, styles and traditions; today Brat Brothers talented family continue to create living sculptures for lovers of fine bespoke apparel from around the world in both traditional styles and the most cutting-edge contemporary looks and desginer signatures.
