

The Japanese style ?? Lightweight Selection

Description

Brisas Fashion Japanese style accessories are individually handcrafted by skilled craftspeople using the time-consuming traditional Japanese Shibori tie-dye, screen printing techniques.

Each bag is individually handcrafted from lightweight materials like cotton, silk, or leather, naturally combining style with everyday practicality. Brisas design team has even selected the ideal textiles based on the bag's dimensions and intended usefulness.

Few arts-and-crafts centres can boast of such a wide range of high quality Japanese inspired bags available to order online at such affordable prices
