

About Brisas Fashion Pvt.Ltd

Description

Brisas Fashion, Textiles, and Interiors is an established supplier of **Japanese-style garments, accessories, and home interior products**. For over **two decades**, Brisas has supplied Japanese high-street retailers and trade buyers across the country. The company is known for its ability to develop **innovative natural textiles and products** while maintaining a high standard of quality throughout the R&D and sampling process. Brisas's export service is widely regarded as **second to none**.

Since **1986**, Brisas has balanced **visionary design** with the enduring beauty of **hand-woven craftsmanship**. The company works directly with silk, cotton, and jute weavers in **Murshidabad, Nadia Districts, and Kolkata**. Deeply integrated into these rural supply chains and local communities, Brisas actively supports and enforces a **strict fair-trade payment program**. They help artisans develop new textiles, decorative threads, yarns, and laces that are in demand abroad and better suited to overseas markets and trends.

Furthermore, Brisas is deeply committed to its own local community, adhering to strict fair-trade policies, running **crafting, textile decorating, and training programs**, supporting community development, and maintaining **high environmental and production standards**. By employing, commissioning, and mentoring local artisans, Brisas's owners and management team take pride in

fostering meaningful work and growthâ??not only for the individuals and communities they engage with but for the rural region as a whole. Their efforts clearly demonstrate the transformative power of **creativity and community prosperity working hand in hand**.
